January 1, 2009

Dear Camp Friends,

You will find enclosed with this letter all the information that you could ever possibly want to know about summer camp at JBRC! (Probably **more** than you want to know!)

You will notice that there are two separate camper forms: one for registration and one for medical information.

Please see the Judson Baptist Retreat Center Summer Camp Dates—Information 2009 Sheet for complete cost information. REGISTRATION DEADLINE FOR ALL CAMPS IS APRIL 25, 2009! PLEASE NOTE THREE COST SAVING DEADLINES! We will not take reservations by phone, but will hold a certain number of reservations upon receipt of the \$90.00 registration fee and information sheets for each camper. **ALL INFORMATION MUST BE IN OUR OFFICE BY THE DEADLINES!**

Make note of the fact that the concession fee and t-shirt cost is included in the basic fee. Please make sure all leaders get a copy of this letter to know how to register.

Please enclose with your registration the following items:

- 1) Completed registration form from your church listing campers and bunkmates
- 2) Camper Information Form filled out for each camper
- 3) **Camper Medical Information Sheet sealed in envelope with camper's name and church on the outside of the envelope.**
- 4) Volunteer Counselor Application & Camper Information Form for all Volunteer Counselors
(Please show only amount paid to JBRC at the top of the form!)
- 3) Registration fee/horseback riding fee (if applicable) for each camper & counselor
- 5) Hold Harmless form at bottom of camper & counselor sheet signed if riding horses
- 6) T-Shirt size at top of forms filled out for campers & counselors.

As always, we appreciate your cooperation in getting all the campers registered and ready to come to camp! It takes all of us working together and we could not accomplish our work without your support. If you have any further questions, feel free to call us at (225) 634-7225. You may also e-mail any questions you have!

In His Service,

Eugene Morris, Manager
Judson Baptist Retreat Center
