Cabin Information

Cabins are built on a "T" shape with the top of the "T" containing two separate sleeping areas with separate bathroom facilities. The bottom of the "T" is a conference room that will hold 40 people. Campers need to provide linens, towels, pillows, blankets, etc.

Motel Information: Rooms have two double beds and all linens are provided. Two rooms are handicapped accessible and have one queen bed and one single bed.

Rooms do not include daily housekeeping, telephones, television or Internet connections. Wireless Internet connection is available in the motel conference room. Linens and towels will be replaced as needed for more than a two-night stay. There is a refrigerator, microwave and freezer available in the motel conference rooms, but no ice machine is available. Ice can be purchased for \$1.00/ice chest in the Retreat Center office.
