- And... much more

WHO SHOULD ATTEND? Any man with a past, present or expected future relationship problem with his Wife, Son, Daughter, Father, Mother, Himself, Other members of his family, His Marriage, His Job or His GOD.

The "Quest for Authentic Manhood" is more than just a rally or Bible Study. Quest provides men with an encouraging process that teaches them how to live the lives of Authentic Manhood as modeled by Jesus Christ and directed by the word of God. The Quest was designed to help men come together and strengthen each other through weekly sessions that combine biblical teachings and small group interaction.

It meets the needs of men who are hungry for more than can be offered by a one-time manhood rally. This renowned program has grown into a significant area of ministry that presently reaches approximately 1400 men daily (600,000 annually) worldwide in churches, on college campuses, in corporate boardrooms, and in prison cell blocks via audio and video.
